Profile

A dedicated animator with a passion for storytelling. Has a keen eye for detail and can adapt to a range of styles depending on the production. Always excited to learn more and contribute wholeheartedly to bring stories from the script to the screen

Experience

Sep.
2024

Present

Animator, Visual Development and 2D Layout Artist

Dolphin Dude - Freelance Project

- Produced engaging and educational animated promotional pieces of content, such as paintings and short animated clips for social media and for the 'Dolphin Dude' website.
- Designed characters, props and backgrounds for the series.
- Communicated positively and professionally whilst taking direction from the director.

Sep.
2023

2D Layout Artist

How to Get a Girl Pregnant, LGBTQ+ Animated Documentary - Coyle Films

- Designed locations by working off of the script and storyboards.
- Created rough and clean layouts for episodes 3, 4 and 7 while following the established layout format from previous episodes.
- Communicated in a positive and professional manner whilst taking direction and working collaboratively.

Projects

Jan.
2026

Present

Director and Animator

À la mode, Short Film - Sheridan College

- Directed a CG fantasy short film with 2D mixed media backgrounds.
- Animated in a hyper-realistic style, all the while ensuring continuity and good composition throughout each shot.
- Responsible for modelling, texturing, rigging, painting, animation, and compositing.

March
2025

CG Character Animator and Matte Painter

Bait & Switch, Short Film - Sheridan College

- Collaborated with a group to create a short film within a week.
- Participated in the environment design and storyboard teams, as well as the character animation team and provided matte paintings.
- Animated shots in a cartoony, stepped animation style.
